**Subject:** Draft agenda for a Kalamazoo public meeting re: Allied  
**Attachments:** ALLIED SITE COMMUNITY MEETING-draft agenda.docx

All,

City staff met Friday morning to discuss an outline for an Allied public meeting. In general we think it would be a good idea to hold a public meeting to let folks know where things stand with Allied/OU1, the ROD, and the next steps and general timelines.

Attached is a very rough outline of the meeting.

Michael, would EPA staff be able to join the meeting and to talk about an overview of the ROD process, the ROD decision, and the next steps? If so, Kalamazoo staff will work on setting up a date that works for all of us and securing a location.

Thank you in advance.
